

GREAT ATLANTIC SHORTHORN SALE

At 11:00 a.m.

**Saturday, April 12th, 1975
MONCTON, NEW BRUNSWICK**

Terms and Conditions of Sale

TERMS: The terms are cash, or cheque at par, unless other arrangements are made with the Seller before the sale. All payments must be made to the Clerk of the Sale and no release will be given until satisfactory settlement has been made.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner.

RISK: All animals are at the purchaser's risk as soon as sold, but will be cared for during a reasonable length of time after the sale.

ERRORS: If errors are noted in the catalogue, announcements of corrections will be made from the auction stand, and such announcement will take precedence over the matter in the catalogue.

CERTIFICATES: Each animal is recorded, or will be recorded in the Herd Book of the Breed Association. (Transferred registry certificates will be forwarded to the purchaser of each animal.)

SHIPPING: Assistance will be given in making shipment after the sale, but no risk is assumed by the Sale Management or Seller. Expenses incident thereto are for account of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

Immediate Delivery unless arrangements have been made with the sales management.

WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell same.
2. Unless otherwise noted in the catalogue or announced from the Auction Stand each animal is sold as sound.
3. Each animal is sold as a breeder subject to the following conditions:
 - (a) **MALES:** Bulls are sold as being able to serve and settle healthy females after reaching 14 months of age where the buyer has provided reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller in writing within four months after the bull reaches 14 months of age. The seller will then have the privilege of six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price in making settlement to the buyer. Older bulls are warranted as breeders unless otherwise announced from the auction stand.
 - (b) **FEMALES:** Any female pregnant when sold or with calf at foot, or that has freshened normally within sixty days prior to the date of sale is by that fact considered a breeder. Should any female over 12 months of age, not pregnant when sold, fail to become pregnant within six months of the sale date, or by the time she has reached twenty-one months after having been bred regularly to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of six months' time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. Results of any pregnancy examinations will be announced, but no guarantee is given that a pregnant female will deliver live calves, or that they will carry calves full time, nor does he guarantee that the calf carried will not be mummified.
4. The seller is not responsible for damages caused by foreign bodies after the animal is sold, nor for sickness not apparent at sale time.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

ACCIDENTS: Although every precaution will be exercised to protect the safety and comfort of guests, neither the Auctioneers, Owners nor Sale Management will be responsible for condition of the grounds or behavior of animals and disclaim any liability. Legal or otherwise in the event of personal accident or property loss.

The above Terms and Conditions shall be a contract between the buyer and seller of each Lot.

GENERAL SALE INFORMATION

LOCATION - Moncton Coliseum, Moncton, N.B.

SALE TIME - 11:00 A.M. Saturday, April 12th, 1975

SALE HEADQUARTERS - Wandlyn Motor Inn, Moncton, N.B.
Phone 506—389-3554

Make reservation in advance through:
Mr. Joe Steeves,
R.R. #1, Hillsboro, N.B.

HEALTH - The cattle will be sold in compliance with the health Regulations of the Dominion of Canada. All cattle in this sale are negative to a recent blood test.

AUCTIONEER - Frank Berkelaar, Box 541, Truro, N.S.
Phone 902—893-9603

SALE MANAGER - The Canadian Shorthorn Association,
Gummer Bldg, Guelph, Ontario
Phone 519—822-6841

It is only fitting that a new venture, The Great Atlantic Shorthorn Sale, be held in New Brunswick, where Shorthorns first came to Canada in 1825. One hundred and fifty years experience in Canada has made us better. You can buy in this sale with confidence, knowing that the cattle are sound, working cattle that will compete with any breed.

The cattle have all been personally selected and represent some of the best Beef and Dual Purpose Shorthorns to be found anywhere. We have seen the rest, the breeders are only selling their best.

We invite you to come to the sale and select from a great group of Shorthorns.

Bert Pepper, Sec. Manager,
Canadian Shorthorn Assoc.

Gerner Farms Kitty 3rd
Red, little white Gerner Farms

Limewood Daphne Kitty - It is seldom that you have the opportunity to buy a heifer with the size; correctness; and pedigree, of this heifer. She is worth travelling a long way to buy her. Her sire Cheapside Prince 2nd has sired or grand-sired, over 20 Grand Champions to Toronto. Cheapside Betty Ann was Gr. Champion at the Royal in 1947, 48, 49 and her lifetime record for milk was 98,544 lbs, and 3986 fat. Kitty's dam's 2 yr. old ROP was 6000 lbs. milk and 241. Note the grandsire, Innisfail Hardy 154th, whose bloodlines are used in many of the best Duals used by the beef-men today. Bred Oct. 23rd to Valley Crest Charger.

August '74 to Chestnut Royal Homer, also selling.

NOTES

ATTENTION: Commercial Breeders

If you are like us and 50% of Canada's other cattlemen, either your father or grandfather raised SHORTHORNS.

- then you used "white faces" until the natural milk production had diminished (10 Years)
- next you tried "blacks" until the genetic growth had been lost (2 Years)
- lastly you tried "exotics" and lost $\frac{1}{4}$ calf crop, not to mention that extra half dozen cows (1 Year).

SO, chalk this all up to experience and "COME BACK TO SHORTHORNS"

you will reap

- 100% ease of calving
- 550 to 600 pound feeder steers at seven months early maturing
- high quality, finished beef
- top efficiency

All the while you will be developing the best brood cow herd in the industry today.

"COME BACK TO SHORTHORNS...STARTING TODAY"

Attend the GREAT ATLANTIC SHORTHORN SALE
